

Material Safety Data Sheet:

**Mammoth CannControl**

Version No. 2

**Date of Preparation:** October 2022

*ANSI-Z400.1-2004 Format*

## SECTION 1: PRODUCT AND COMPANY IDENTIFICATION

**Product Name:** Mammoth CannControl

**Effective Date:** 1 October 2022

**EPA Registration Number:** 25(b) exempt

**Manufacturer's Product Code Numbers:** *\*Please refer to page 4*

**Manufacturer information:** Growcentia, Inc.  
4545 Viking Way  
Loveland, CO 80538  
970-818-3321 (ph)

**GENERAL USE:** *Mammoth CannControl* is a contact and vapor action insecticide, miticide, and fungicide. Apply *Mammoth CannControl* once per week as needed to prevent the infestation of various insect and mite species, and to control powdery mildew and *Botrytis*.

## SECTION 2: HAZARDS IDENTIFICATION

**WARNING:** Do not ingest. May cause an allergic skin reaction. May be an eye irritant.

**Eye Contact:** Mild eye irritant. Wear eye protection when handling.

**Ingestion:** Stomach or intestinal upset may occur. Immediately call a poison center or doctor if swallowed.

**Skin Contact:** Skin irritation may occur. Wear protective clothing and gloves to prevent contact with skin. Wash contaminated clothing before reuse.

**Inhalation:** No adverse effects expected under typical use conditions. Avoid breathing mist and spray. Adequate ventilation should be present when using *Mammoth CannControl* over a prolonged period of time. Open windows or ventilate via fan or other air-moving equipment if necessary.

**Carcinogens:** No ingredients are listed by OSHA, IARC, or NTP as known or suspected carcinogens.

**Exposure limits:** No data.

**Medical Conditions:** No medical conditions are known to be aggravated by exposure to *Mammoth CannControl*.

## SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

**Ingredients:** Thyme oil (15%), corn oil (55%), oleic acid (CAS #112-80-1) (30%)

**CAS Number:** Not available

**Synonyms:** Biological control agent

## SECTION 4: FIRST-AID MEASURES

**Eye Contact:** Reddening may develop. Immediately rinse the eye with large quantities of cool water; continue 10-15 minutes or until the material has been removed; be sure to remove contact lenses, if present, and to lift upper and lower lids during rinsing. Get medical attention if irritation persists.

**Ingestion:** If swallowed, immediately call a poison center/doctor/physician. Rinse out mouth and drink water in small sips. Do NOT induce vomiting.

**Skin Contact:** Irritation may occur. If on skin, wash with water for at least 15 minutes. If skin irritation or rash occurs, get medical advice/attention.

**Inhalation:** Exposure to concentrate may cause mild irritation of nasal passages or throat; remove to fresh air. Get medical attention if irritation persists.

## SECTION 5: FIRE-FIGHTING MEASURES

**Mammoth CannControl is stable, not flammable at normal temperatures. No special procedures required.**

**Flash Point/Auto-Ignition:** 87.2°C (188.96°F)

**Extinguishing Media:** Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide.

**Flammability Limits:** Not flammable at normal temperatures.

**Special Fire Fighting Equipment/Procedures:** Dangerous gases are evolved in the event of a fire. Use appropriate extinguishing media for material that is supplying fuel. Keep out of smoke. Fight fire from upwind position. Cool closed containers exposed to fire with water spray. Do not allow run-off from firefighting to enter drains or water courses.

## SECTION 6: ACCIDENTAL RELEASE MEASURES

**Method for cleaning up:** Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Collect and transfer the product into a properly labelled and tightly closed container. Clean contaminated floors and objects thoroughly, observing environmental regulations.

**Spills and leaks:** Contain the spill to prevent discharges to surface streams or storm sewers.

## SECTION 7: HANDLING AND STORAGE

**Handling:** Protect eyes to prevent contact. Wear gloves when handling and avoid prolonged or repeated exposure to skin. Ensure adequate ventilation. Handle and open container in a manner as to prevent spillage.

**Storage:** Store in a cool, dry place and in such a manner as to prevent cross contamination with other crop protection products, fertilizers, food, and feed. Store in original container out of direct sunlight and away from hot or cold extremes. Keep out of reach of children. Keep containers sealed until ready for use.

## SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

**Engineering controls:** General mechanical ventilation can be expected to effectively remove and prevent buildup of any dust generated from handling this product in a closed environment.

### **Personal Protection:**

**Eyes:** Wear safety glasses to avoid contact with eyes.

**Hands:** Wear gloves and avoid contact with skin.

**Respiratory:** No respiratory protection required under normal conditions of use.

**Other:** Open wounds or skin surface disruptions should be covered with a chemical resistant patch to minimize absorption risks.

## SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

**Appearance:** Material is a light brown/orange liquid.

**Odor:** aromatic thyme

**Odor threshold:** NA

**pH:** 5.6 – 7.3 at 100%

**Melting point:** NA

**Freezing Point:** Approximately -2°C (30°F)

**Boiling Point:** 100.6°C (212°F)

**Flash point:** NA

**Evaporation rate:** NA

**Flammability:** Not flammable at normal temperatures

**Upper/lower flammability/explosive limits:** Not flammable below 87.2°C (188.96°F)

**Vapor Pressure:** NA

**Vapor Density:** NA

**Density:** ca. 0.91 g/mL at 20°C

**Water Solubility:** Emulsifiable

**Partition coefficient:** NA

**Auto-ignition temperature:** NA

**Decomposition temperature:** NA

**Viscosity:** NA

#### SECTION 10: STABILITY AND REACTIVITY

**Chemical Stability:** This material is chemically stable under normal storage and handling conditions.

**Hazardous Decomposition:** No decomposition products expected under normal conditions of use.

**Hazardous Polymerization:** Not known to occur.

#### SECTION 11: TOXOLOGICAL INFORMATION

**Chronic Toxicity:** None known

**Mutagenic Effects:** None known

**Teratogenic Effects:** None known

**Developmental Toxicity:** None known

**Carcinogenic Effects:** None known

**Acute Effects on Humans:** May cause skin, eye, and respiratory irritation.

**Sensitization:** Repeated or prolonged exposure to the substance at concentration above the exposure limits may cause respiratory tract and lung sensitization.

**Existing Medical Conditions Aggravated:** None known

#### SECTION 12: ECOLOGICAL INFORMATION

**Ecotoxicity:** Do not allow to get into surface water, drains, and ground water. Do not contaminate surface or ground water by cleaning equipment or disposal of wastes, including equipment wash water. Apply this product as specified on the label.

**Environmental Fate:** No data available regarding the environmental fate or biodegradation.

#### SECTION 13: DISPOSAL CONSIDERATION

**EPA Waste Number:** Non-hazardous waste

**Treatment:** Dispose of according to all federal, state/provincial and local environmental regulations.

#### SECTION 14: TRANSPORT INFORMATION

This product is non-hazardous for transport according to the U.S. Department of Transportation Services

**UN Number:** 3082 Class 9 Packaging Group III

**Dangerous Goods Class:** Non-hazardous

**This product is non-hazardous for storage and transport according to the U.S. Department of Transportation Regulations.** *Mammoth CannControl* should be labeled an environmentally hazardous substance, liquid, N.O.S., due to its marine toxicity.

#### SECTION 15: REGULATORY INFORMATION

##### **US Federal Regulations:**

**Product Information:** This 25(b) product is exempt from registration with the federal Environmental Protection Agency under FIFRA regulations and is considered non-hazardous.

#### SECTION 16: OTHER INFORMATION

The information is furnished without warranty on 1 October 2022, representation, inducement, or license of any kind, except that it is accurate to the best of Growcentia's knowledge. Because use conditions and applicable laws may differ from one location to another and may change with time, Recipient is responsible for determining whether the information is appropriate for recipient's use. Since Growcentia has no control over how this information may be ultimately used, all liability is expressly disclaimed and Growcentia assumes no liability.
